Migration Pre-Requisites

- Must be running the 2026 (iOS 26, iPadOS 26, and macOS 26 Tahoe) OS versions or newer.
- Devices must have been onboarded using Automated Device Enrollment (iOS/iPadOS) or exist in Apple School/Business Manager (macOS).
- Migrate your VPP / Apps & Books Token from the old MDM to the new one and if you are using Managed Apps, make the deadline for under 30 days from today's date.
- Configure device configuration, application install, and other related profiles and policies assigned on the new MDM match the one on the old/existing MDM to ensure a smooth transition from a User Experience perspective.
